REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Claims 1 – 24 are allowed. The prior art of record failed to teach a method and apparatus employing a rake receiver in a wireless system comprising multiplying the delayed spread spectrum signal with first and second reference to produce control signal and data signal respectively, multiplying delayed data signal with weights produced by a frequency offset estimator and a complex weight gain generator to produce a first set of data and summing the outputs of all of the rake fingers, producing data symbols and control bit symbols.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
